

Residential Parking Program

The City of Northville provides overnight parking permits for downtown residents at a nominal fee, \$60 per year (\$5 per month). Each of the downtown surface parking lots have spaces identified for overnight parking. Parking permits may be obtained from the Police Department located in the lower level of City Hall at 215 West Main Street.

In addition, the City has designated a number of spaces on the top floor of the MainCentre Parking Deck for downtown residents at a reduced fee of \$1 per month. For more information on residential permits, please call the Northville Police Department.

Parking Fines

On February 6, 2006 the City Council approved a graduated fine system for downtown. This system is meant to provide first time offenders with a warning and information about long term parking options. Repeat or chronic offenders would receive an escalated fine for subsequent violations. If no additional violations occur within a three month period, the fines revert to the second offense level of \$5.
